General Information re: Field Trips / Events:

- Field trips / events are made available for Great Oak Academy families, although participation is optional.
- Most field trips / events are open to all students and are not limited to a specific class.
- More detailed information is provided before each field trip / event (times, cost, etc.).
- After families reply with interest to an initial email re: each specific field trip / event, they are then put in touch with one another to coordinate carpooling, etc.
- Parents are encouraged to attend field trips / events with their students but are not required. A family may arrange for their student(s) to attend with another participating Great Oak Academy family.
- Extended family members (grandparents, siblings, etc.) are welcome to join us on most field trips / events.
